

DIESEL

60 X 120 OXIDO LAPPATO

Diesel Oxido Lappato Rettificato 60x120 cm

DOGMA® presents a new range of hygienic products **DOGMA PROJECT ANTIBACTERIAL**. The application of new technical glazes capable to stop the reproduction of bacteria guarantees antimicrobial protection to surfaces, ensuring a healthy environment, free of dirt and odor. The new technology applied to our ceramic tiles is ideal for all locations, especially with bacterial growth, such as kitchens, bars, restaurants, hotels, doctor's offices, schools, public c of s, baths, SPAs and swimming pools. Ideal for personal and commercial use. **DOGMA PROJECT ANTIBACTERIAL** achieves the progressive elimination of bacteria by blocking growth, interrupting their life cycle.
