

CALACATTA

60 x 120

Calacatta Levigato Rettificato 60 cm x 120 cm

DOGMA™ presents a new line of hygiene products **DOGMA PROJECT ANTIBACTERIAL**. The use of modern technical glazes guarantees antimicrobial protection of the surface and stops the growth of bacteria, providing a healthy environment, without dirt and bad odors. The new technology used for production of our ceramic tiles is suitable for bacteria friendly atmosphere such as kitchens, bars, restaurants, hotels, medical offices, schools, offices, bathrooms, spas, swimming pools. Ideal for private and commercial use.
